

# Claybelt Chronicles

Memories gathered from Temiskaming Seniors  
by the Little Claybelt Homesteaders Museum

Very popular, widely-sought after. We've worked hard to help our area's history come alive through the voices of those who were there. These books contain interviews with our seniors who have connections with the pioneer families who first came to the area between 1880s and 1940s. Each volume contains interviews and a photo taken at the time of the interview or from some other source. Volume 9 is the final book in this series of Museum interviews.

All Volumes are available from the Museum

(Copies may also be picked up by appointment by calling 647-5580.)
